How to mark a B2B account up as a leasing company so that I can select it as a leaser in an order.

1. Locate the B2B account that you want to update.
2. Click on Additional Information in the B2B Account you want to set as a Leaser/Leasing Company.
3. Click on Edit.
4. Check the Leaser option box.
5. Click on Update.

6. From now on, when creating a new order, This company will be available to select as the Leaser/Leasing company from the drop down menu.
