

## HOW TO SETUP THE DEALER ADMIN IN SDH

Being logged in C1ST with the dealer admin, click on “open SDH” on the top right, and you should see the below menu :

Click on “maintenance” and “auxiliary table”, and select “SEC”

Click on + next to “Add”

Enter the dealer admin username on the “code” field, fill in the name and save

"sales admin"

Code:

Last name:

**Search**

 Print
